Dear Sirs,

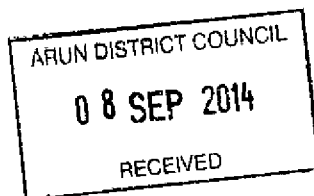

Re PLANNING APPLICATION AW/215/14/A - MORRISON' PLANS.

I object to the above planning application of the following point:

* The ugly nature of the Morrisons signage - It is out of place in Alwick village, and the illumination would be intrusive at night.

Your faithfully,

RODERICK H. WHITE.

Dear Sirs

Planning Application AW/215/14/A

I object to the proposal by supermarket Morrison's to erect their signage on the Ship Inn in Aldwick. It would be ugly and intrusive, and a distraction to drivers on a busy and difficult part of Aldwick Street.

Yours Faithfully,

Mrs Joy W

Dear Sirs

Planning Application AW/215/14/A

I object to the proposal by supermarket Morrison's to erect advertising signs at the Ship Inn, Aldwick – totally out of place in a historic setting such as this.

Yours Faithfully,

B J Wilson

1st SEPT 2014

Dear Sir or Madam,

Re conversion of the SHIP INN, Aldwick, to a MORRISONS STORE.

I am writing to register my objection to the above for the following reasons:-

I do not want a alcohol licence for 18 hours of the day in this residential area and all the problems this will bring.

Apart from the rather narrow busy road which will have to be crossed by many elderly people there is also the fact that there is no pavement on this side of the road which is dangerous enough any time of day but certainly will be more so when the dark winter days are with us.

Parking has always been a problem in this area and big lorries will cause even more, especially as this narrow road is also a bus route.

I have lived in this area since 1980 and have managed to exist very happily with the aid of the Tudor Newsagents shop in Fish Lane, which is almost opposite the Ship Inn. Do you really intend to let a local privately run business which has served the local community well for so many years close down because of a rich super store wanting to take over. I am ninety two years old, and who will deliver my, and many other elderly residents in this area their daily paper and help them out in so many other ways too. I DO NOT THINK MORRISONS WILL !

AW/211/14/PL

- The loss of an historic pub in an area already designated by the council as a 'character' area.
- The loss of a valued, local amenity because there is no other pub within half a mile.
- The real prospect of a traffic safety hazard and congestion on Aldwick Street with cars and delivery lorries entering and exiting during opening hours.
- The noise nuisance from the proposed external freezer unit, especially if you live at the back of the Ship Inn.
- The increased hooliganism which would result from a late night store selling carry-out alcohol to people from outside the area.

AW/215/14/A

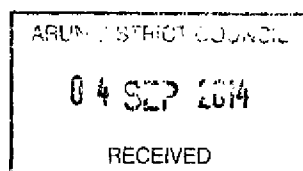

- The ugly nature of the Morrisons signage, how out of place it would be in Aldwick village, and that the illumination would be intrusive at night.

Dear Sir/Madam

Your Ref;

Ship Inn, Aldwick Street conversion to Morrisons Convenience Store.
AW/211/14/PL and AW/215/14/A

I write to voice my objection to the above application.

Aldwick Street is a very busy and narrow route and sometimes traffic moves very fast, as car parking on the site seems to be limited it would lead to vehicles stopping to wait for others to move in or out of the car park area and others will just park dangerously on the road.

An example of this is the Tesco convenience store in Aldwick Road where vehicles frequently double park out on the roadway.

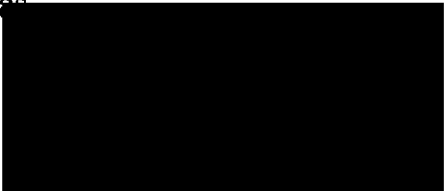

As there is no pavement on that side of Aldwick Street it would become particularly dangerous for pedestrians attempting to cross and with the closeness of the blind bend making it even more hazardous and a recipe for disaster.

There will be considerably more short term coming and going at this store than there would be for a public house or restaurant.

It also is a shame to see a pub with such a long history within the community of Aldwick cease to be and gone for ever.

Yours faithfully

Russell Thomas

Dear Sir/Madam

Your Ref;
Ship Inn, Aldwick Street conversion to Morrisons Convenience Store.
AW/211/14/PL and AW/215/14/A

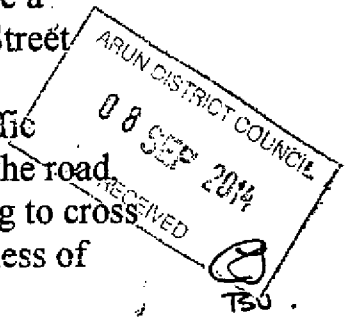

I write to voice my objection to the above application.

How sad I am that the Ship Inn, which has been trading for 200 years as a pub in the village of Aldwick, will end up being a Morrisons convenience store.

I am most concerned with the traffic situation, the car parking for the proposed store seems very limited which will mean that every time a vehicle leaves or enters the car park, the traffic flow on Aldwick Street will be badly disrupted and this is likely to be very frequently.

- Aldwick Street is very busy and rather narrow and sometimes traffic moves very fast - as there is no pavement on the Ship Inn side of the road it would become particularly dangerous for pedestrians attempting to cross to and from the proposed store and that, combined with the closeness of the blind bend.

The delivery vehicles would add to these dangers.

Yours faithfully

dear sir

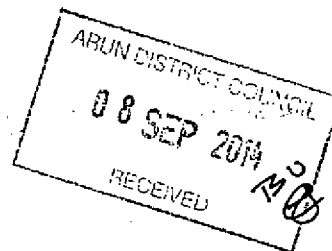

The planning application above should not be considered.

Apart from the road safety hazard of the position. I you are familiar with the area you must know it is not suitable for large lorries to be a frequent user. How many more of our historic buildings are to be taken over for useless projects we already have enough of. Has any consideration at all been given to local residents how will they cope with the noise. What about the devaluing of their homes

Dear Sirs,

RECEIVED

Monitors / Ship Inn / objections

AW/2.11/14/PL

1. The Ship, 200 years old, is an historic building & feature of Aldwick village.

It should and could be a local amenity. There is no other Pub/Restaurant within $\frac{3}{4}$ of a mile.

2. Traffic hazard Aldwick Street is a busy road. There is very little parking space and what there is already has many cars. This will be exacerbated by Monitors extending their building into the existing Ship car park. The congestion will be made worse by large vehicles making deliveries to the shop on a regular basis.

3. There is no pavement on the Shop Side of the road forcing shoppers, especially those with children, to face the hazard of having to cross the road to access the shop.

4. The risk of hooliganism is increased by the sale of alcohol late at night with the adjacent pond an attractive playground.

AW/215/14/A ✓

1. The signs & lights of the premises will be out of character with the village.

Comment

This project is purely for the benefit of Morrisons. It does not serve a local need, we already have four convenience stores available. It will in no way add to the attraction of living in Alderwick.
Yours faithfully,
