Subject: FAO Development Control Committee re objection to Planning Application AW/215/14/A

Good evening,

I wish to formally object to the planned conversion of The Ship Inn in Aldwick into a Morrisons and the associated illuminated signage; AW/215/14/A.

The reasons for my objections are as follows:

- The proposed signage would be very unsightly in an area already designated by the council as of 'special interest' and it would actively cause visual offence
- The illumination of the proposed signage would be very intrusive at night, especially in an area which has multiple residences in very close proximity

Yours faithfully,

Alexa Fyfe-Green

FAO: Development Control Committee, Arun District Council

To whom it may concern:

I am writing to formalise my objection to the proposed application: AW/215/14/A.

As an Aldwick resident for the last 20 years I am at a loss to understand how such a proposal can be allowed.

The signage proposed by Morrisons is both ugly and out of character for Aldwick village and the illumination they propose will be extremely intrusive at night and spoil the ambiance of the locality.

AW/215/14/A

I wish to make my objections known against Morrisons plan to erect six illuminated signs on the outside of the historic building. This area currently has a quiet village feel which people want to preserve. We DO NOT want brightly lit neon signage on the outside of this historic building. It will totally ruin the look and feel of Aldwick.

I am writing to raise my objection to the proposed development of a Morrisons convenience store on the present site of the Ship Inn.

I understand that Morrisons will have an illuminated sign that would be intrusive to the local residents and would stick out like a sore thumb in Aldwick. We do not want this. I was under the impression that Bognor Regis was attempting to improve its image and attract new people to the area to fuel this improvement. A Morrison's in the middle of Aldwick is not the answer!!! As Bognor goes further downmarket, people will continue to move out. There are many For Sale signs around Aldwick.

Regards,

Anne Masson

Dear Control Committee

I object to Morrisons converting the Ship Inn and particularly to the proposed signage which is totally out of keeping for the Aldwick village and will cause unacceptable light pollution.

I am writing to formally object to Morrisons planning application to erect signage on the The Ship Inn.

Morrisons signage is ugly and not in keeping with the area of Aldwick Village.

Also such signage will be intrusive at night due to the added illumination factor.

Morrisons application should be rejected without further consideration.

Dear Sirs

I object to the application by Morrison's for the Illuminated signage, besides being ugly, it would be very out of place in our quiet village and intrusive at night. This is a village not an out of town complex.
