I wish to register my objection to the Planning Application AW/215/14/A submitted by Morrisons for the erection of 6 illuminated Morrisons signs on the outside of the building in Aldwick Village which was formerly known as The Ship Inn. This is completely out of keeping to the area. Aldwick has been designated by the council as an 'Area of Special Character'. These would be the only bright lights in the area. We do not need any more convenience stores in Aldwick especially those with bright lights.

First we loose our pub, nay another pub to the supermarkets, and their greed for increased profits. Then they want to immediately extend it and change the outlook of a building several hundred years old also adding noisy freezer units. Now Blackpool illuminations, Six! illuminated signs over the top I think on such a small building. I have objected to the change of use from the start as I believe another convenience store is not needed in the locality. The government cut the Breweries down as so called monopolies, all they have done is kill the pub trade and put the buildings into the hands of "property" companies like Enterprise and Punch. Someone has to stand up to them so please stand against these latest changes. Thanks in hope.
