Dear Sir/Madam

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

3No. internally illuminated fascia signs to front and west side elevations, 1No. externally illuminated fascia sign to east side elevation and 2No. externally illuminated projecting signs to front and east side elevations.

Ship Inn Aldwick Street Bognor Regis

Thank you for your internet representation made on 7th September 2014 which has been recorded as '**an objection**' with the comments as follows:

The ugly nature of Morrisons sinage (6 in total) is totally unsuitable for the building on which it is proposed to mount it and out of character for the village of Aldwick. I believe the illumination would be intrusive at night(Re Sainsburys store on A29 Shripney Road) and in view of our Governments efforts to reduce the Nations carbon foot print surely we should be drastically reducing energy consumption.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Thank you for your internet representation made on 5th September 2014 which has been recorded as '**an objection**' with the comments as follows:

The proposed sign will be ugly and a night time nuisance to those living in the immediate area. It is out of step with the residential nature and the few small shops that are across the road and are very discreetly lit.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Thank you for your internet representation made on 31st August 2014 which has been recorded as '**an objection**' with the comments as follows:

I wish to object to the proposal to erect illuminated signs to the external walls of the building of The Ship Inn by Morrisons on the grounds that such things have no place within Aldwick village due to their ugliness and the fact that they will be lit up until late at night. They have no place in our, at present, quiet village.
