DEVELOPMENT CONTROL COMMITTEE

Under Planning Permission Applications AW/211/14/PL and AW/215/14/A submitted by Morrisons to change the Ship Inn into a Morrisons store, I am writing to voice my objections to the proposals.

We have only lived in West Sussex for a short time and have enjoyed the rural aspect of living in Aldwick and to lose an historic 200 year old building that has been designated 'of special character' is going to completely change the village.

One of my main concerns is its location which is on a narrow road with a sharp bend and no pavement. This would cause major disruption, to say nothing of possible accidents, particularly if this store is open during the hours of darkness. I can't think of a more unsuitable place to have a supermarket. What about deliveries by huge lorries which will block the road causing further hazards to residents and the addition of more cars wanting to park nearby. With parking already on one side of this narrow street blocking off half the road, cars have only one lane to travel in each direction. I also understand there will be an external freezer unit which will cause noise nuisance to residents in very close proximity to the back of the Ship.

In addition, the ugly nature of the Morrisons signage will be so out of place, to say nothing of the bright signage and long opening hours which will inevitably effect those residents living nearby.

I am also informed that there are several credible local businessmen who want to run it, invest in it and turn it into a thriving restaurant-pub which would keep its identity and would be a great asset to the area. This area is full of boring, box like bungalows with no character whatsoever, please do not add to the destruction of Aldwick's history. Once these historic buildings are gone there is no going back.

I wish to lodge my objection to the above application

This proposed illuminated signage is completely at odds with the general ambience of the locale, is ugly and would be particularly intrusive and offensive at night.

To: Planning
Subject: AW/215/14/A - Morrison illuminated signs on the site of the Old Ship Inn

Dear Sir

I am writing to let you know that I object strenuously to planning application AW/215/14/A - the erection of six Morrison illuminated signs on the site of the old Ship Inn in Aldwick village.

This will be completely against the character of the village and will be horribly obtrusive at night for those who live near by.

Please confirm receipt of this email and confirm that my views will be considered by the committee in its deliberations.

Yours faithfully

Caroline

Dear Sirs

I wish to object to the application above for permission to install multiple illuminated signs on a building in this residential and conservation area.

It is out of keeping with the location.

It will create nuisance to the local residents.

It creates a dangerous precedent for illumination and signage in the conservation area, which the local council should be endeavoring to improve not desecrate.

Yours faithfully

Paul Tucker

Dear Sirs,

I wish to raise my strongest objections to the proposals for Morrisons to erect their signage at the proposed mini supermarket in Aldwick Street. By no stretch of the imagination can their customary signage be considered acceptable or beneficial. It would be totally out of place and keeping to this area of Aldwick.

Yours faithfully,

Mr L G Benfield

Subject: Development Control Committee Re Planning Application AW/215/14/A -The Ship Inn, Aldwick

Dear Sirs,

I wish to record my objection to the above plan for Morrisons to erect illuminated signage around the present Ship Inn on the following grounds:

The ugly nature of the signage will wreck the appearance of the present building, will be totally out of place in Aldwick village and will cause unnecessary light pollution.

Thank you for your consideration.

Yours Faithfully,

Graham Harmes

AW/215/14/A

If Morrisons get planning permission I would strongly recommend you make sure that the Signage allowed is "low key".

Consideration must be given to the nature of the area and the feelings of local residents.

Attn: Development Control Committee

Sirs

We wish to register our objections to the above Application. Neon/illuminated signs are totally out of keeping for the Village atmosphere and will spoil the lovely rural outlook.

Yours faithfully

I object to the above planning application on the grounds that these signs will be ugly (look at the ones on Morrisons Chichester Road site), out of character with the locality and not required because the site will not be there, as you will obviously rejecting the main application for the development of this unwanted supermarket. Carol Buzzard, Aldwick Resident.
