Please note my objection to the planning application noted above. Firstly these signs will a light poluting nuisance and secondly they they will not be required as you will be rejecting the planned supermarket development because of local opposition. Michael Buzzard.

Dear Sir/Madam

I wish to object to the proposal to erect six illuminated signs to the external walls of the building of The Ship Inn by Morrisons on the grounds that such things have no place within Aldwick village due to their ugliness and the fact that they will be lit up until late at night. They have no place in our, at present, quiet village.

Yours faithfully

Mrs J Mountford

I wish to object to the proposed Morrison's signage at the Ship Inn on the grounds that it would be completely out of character with the surroundings of this quiet and peaceful area.

Dear Sir

I am writing to object to the plans that are in place for Morrison's to take over the premises that have been, for over 100 years now, the site of our community Pub The Ship Inn in Aldwick Street.

The ugly signage and bright illumination that will come from the new Morrisons shop will be an unwelcome addition to this established and quiet residential area and as an elderly resident of 87 years old I am very worried about the kind of people that may buy alcohol late at night and sit in The Pound to drink it - which is just opposite my house. Please don't let this happen.

Your sincerely

Dear sir,
I object strenuously to planning application AW/215/14/A, the erection of six Morrison illuminated signs on the site if the old Ship Inn in Aldwick village.
This will be completely against the character of the village and will be horribly obtrusive at night.

Yours sincerely

I am against the proposed illuminated signs for the proposed Morrisons Supermarket. This would not be in keeping with the village.

I wish to object to the above planning application. The ugly nature of the Morrison signage is a major concern and it would not be in keeping with the Aldwick village. The illumination would be very intrusive at night.

The application should in my opinion be turned aside.

Kind regards

Dear Sir/madam,

I am writing to complain about the proposed building of a Morrisons local in place of the Shipp Inn Aldwick. Aldwick village is a place of special character and the ugly nature of the Morrisons signage alongside the illumination at night time would completely out of place And ruin the local area. Please reconsider your proposals,

Yours faithfully,

With reference to the above planning application, I hereby register very strongly the following objections:

The proposed erection of signage for a Morrison's store is a **violation of a residential area** for the following reasons -

1. it creates **unacceptable light pollution** for the residents in the vicinity of the proposed store
2. it is aesthetically completely **at odds with the character of Aldwick** which the council itself has designated as 'special'

Planning Committee,

I wish to object to Morrison's' planning application AW/215/14/A for the following reasons:-

1. The proposed signage would be an ugly intrusion into the character of Aldwick Street and the local area.
2. The illumination of any Morrisons signage would be intrusive in the hours of darkness particularly for those residing in Aldwick Street.
