Dear Sir,

I am writing to record my strong objections to the Planning Application AW/215/14/A.

I consider the proposed Morrisons signage is totally out of place in Aldwick Street destroying the village atmosphere and the proposed illumination will be extremely intrusive at night in this mainly residential retirement area.

I sincerely hope that the committee will refuse the application.

Yours faithfully

As a long standing resident of Aldwick (40 yrs) I most STRONGLY object to the change of use of our village pub "The Ship" and the defacing of it's façade by Morrisons' signage.

I write to object to the granting of permission to the above planning application. Ugly illuminated signage in this quiet residential area, designated as of 'special character' by the council, is inappropriate, intrusive and unnecessary.

Dear Sir

I am writing to object to the plans that are in place for Morrison's to take over the premises that have been, for over 100 years now, the site of our community Pub The Ship Inn in Aldwick Street.

The signage and bright illumination of a Morrisons shop, which will be open late into the night will be an ugly and intrusive addition to this quiet and established residential area.

Your sincerely

We object to the placing of illuminated signs, which would be very intrusive, especially at night & they would be very out of place in Aldwick village.

To the Development Control Committee

Please register my objection to the above planning application to erect bright illuminated signage in Aldwick village. It is completely inappropriate and would ruin this attractive and historic area, being especially intrusive at night.

Dear Sir/Madam

I wished to object the proposal for Morrisson to convert the usage of The Ship public house in Aldwick Street to a convenience store.

With particular regard to the ugly nature of the proposed illuminated signage, this would be totally out of place and inappropriate in Aldwick village and constitute an intrusion of light at night.

Yours faithfully
