Ref: Objection to Planning Application AW/215/14/A - Morrison's Store on the site of The Ship Inn, Aldwick.

Please accept this email as a formal objection to the above.

- Signage - the illuminated signs on the outside of the building is just not what one wants to see in Aldwick Street, particularly at night- a mainly residential area & so out of character.

Regarding the application for an illuminated sign at the proposed Morrison's site in Aldwick. I object to this application on the grounds that it is completely out of character for that part of Aldwick village. This is a peaceful tree lined area adjacent to the village green. If we have to have any signage it should be discreet and not illuminated.

Re Planning Application AW/215/14/A
Ship Inn

I am writing to appeal against the intention of Morrisons to use ugly signs on the shop they want to create at the Ship Inn. If there has to be a shop there, the signs should reflect the character of the area. The illumination will also be intrusive to local residents at night.

If Morrisons get planning permission I would strongly recommend you make sure that the Signage allowed is "low key".

Consideration must be given to the nature of the area and the feelings of local residents.

Dear Sir/Madam,

I would like to object to the planning applications listed below for the following reasons;

AW/211/14/XPL

- The loss of an historic pub in an area already designated by the council as of 'special character'.
- The loss of a valued, local amenity because there is no other pub within half a mile.
- The real prospect of a traffic safety hazard and congestion on Aldwick Street with cars and delivery lorries entering and exiting during opening hours.
- The noise nuisance from the proposed external freezer unit, especially if you live at the back of the Ship Inn.
- The increased hooliganism which would result from a late night store selling carry-out alcohol to people from outside the area.

AW/215/14/A

- The ugly nature of the Morrisons signage, how out of place it would be in Aldwick village and the illumination will be intrusive at night.

Kind regards

INTRODUCTION

My parents moved to Aldwick in 1970 and I was a frequent visitor until my mother passed away in 2010 when I inherited her house and, with my partner, I became a resident in Stanmore Gardens. I strongly object to the loss of The Ship Inn, an historic public house at the heart of Aldwick, and to the aesthetic period appearance of a building that belongs to the character of this unspoilt village.

SIGNS

With reference to the proposed changes in signage that would accompany this building being converted to a "Morrisons Convenience Store", these six large illuminated signs would be totally out of place in a traditional village setting in an "Area of Special Character". They would change the character of the building, and become an ugly eyesore and distraction for all those passing on foot or by vehicle.

I wish to object to the above planning application by Morrisons.

In an area of "special character" as designated by Arun, Morrisons' proposed signage would be totally out of place and would, I think, be especially intrusive during the hours of darkness.

As a general comment, the proposed store is not needed or desired as Aldwick is already well served by the Co-op etc. It will create an intolerable situation from the point of view of traffic flow and parking.

Please REFUSE the application.

Planning Application AW/215/14/A

I would like to object to the proposed application for illuminated signs at the unwanted Morrisons site in Fish Lane Aldwick. It will be an unwelcome and vulgar addition to a pleasant historical area and will be a distraction for motorists.
