I wish to object to the above planning application. The ugly nature of the Morrison signage is a major concern and it would not be in keeping with the Aldwick village. The illumination would be very intrusive at night.

The application should in my opinion be turned aside.

Kind regards

Attention Development Control Committee

Dear Sirs,

Proposed Morrisons signage - Ship Inn, Aldwick. Application AW/215/14/A

I wish to object on the following grounds:

Morrisons illuminated signage: This signage would be ugly and totally out of place in our small Aldwick village which has only ever had attractive fairy lights showing the way to The Ship. The surroundings would be totally spoilt and the heavy illumination of the area would be so out of place because these proposals differ so much from the 'normal lighting' in the vicinity at the present time. Surely the residents should be considered here as they will certainly be badly affected by light pollution on a grand scale.

Yours faithfully,

Mrs V Salmon

I am objecting to Morisons Store as it would be ugly , out of character with the village, we need a local public house, we already have a store opposite the proposed Morisons. Parking and safety would be a big issue.

Dear Planning Committee,
Ref: AW/215/14/A

I am writing to oppose the signage that is being proposed for the new Morrisons store in Aldwick (formerly the Ship site). These obtrusive and ugly signs would not be in keeping with our beautiful village, and at the very least would be intrusive at night time.

Please could you carefully consider his application and the negative effect it would have on surrounding area?

Yours sincerely,

Dear Sir/Madams

You have given no thought to the people who live in this area, who will put up with the noise from extra traffic and the congestion it will cause on Aldwick Street.

Also the noise from a proposed external freezer unit that will be back of the "Ship Inn" Would you like to live at the back and hear that constantly? Plus the fact the Morrisons sign a illumination would be a nightmare:

Mr Patel has been there for many years and his business would suffer greatly. As for alcohol all the jobs that will depend on here makes you shudder bad enough in Bognor. I thoroughly object your

Dear Mr Davis

I wish to object to the above planning application.

The modern Morrison signage is out of place in Aldwick.

The number of signs is excessive and a big 'bus stop' sign overpowering.

The illumination of the signs at night would be intrusive.

Yours sincerely

I object to this planning application on the following grounds:

The ugly nature of the Morrisons signs, it will be totally out of keeping with the appearance of the local area.
The unnecessary number of signs
The lighting will be intrusive at night and add to general light pollution.
