To the Development Committee,

Planning Application AW/215/14/A

I object to the planning application for Morrisons to erect illuminated signs on the outside of a building which has been designated of special character, this would be very much out of place, also the illumination would be very intrusive at night, and completely change the Aldwick village area.

J Blackbourn.

Attention: Development Control Committee

Dear Sirs

I am writing to register my objection to the above planning permission application you are currently considering from Morrison's Supermarket for the erection of illuminated signs on the outside of the Ship Inn in Aldwick.

Notwithstanding that I completely object to the change of use of this building to a licenced supermarket, the ugly nature of the Morrisons signs will completely spoil the village atmosphere of Aldwick and be especially intrusive at night.

I implore you not to grant this application.

Yours faithfully

Dear Sirs

Objection to planning application: AW/215/14/A

I understand Morrisons have applied for permission to erect six illuminated signs outside the former Ship Public house, clearly this would be ugly, intrusive and totally out of place on Aldwick street and should be resisted at all costs.

Yours faithfully

AW/215/14/A

I wish to make my objections known against Morrisons plan to erect six illuminated signs on the outside of the historic building. This area currently has a quiet village feel which people want to preserve. We DO NOT want brightly lit neon signage on the outside of this historic building. It will totally ruin the look and feel of Aldwick.

The very idea of having illuminated signs in this protected area is beyond belief and totally wrong. Please don't allow this to happen.

Yours sincerely

Maureen Lord

Dear Development Control Committee,

I object to Morrisons converting the Ship Inn to a mini store and especially to the illuminated signage proposed because of ugly nature of the signs which are totally out of keeping with the nature of the village.

Subject: FAO Development Control Committee re objection to Planning Application AW/215/14/A

I wish to formally object to the planned conversion of The Ship Inn in Aldwick into a Morrisons and the associated illuminated signage; AW/215/14/A.

The reasons for my objections are as follows:

- The proposed signage would be very unsightly in an area already designated by the council as of 'special interest' and it would actively cause visual offence
- The illumination of the proposed signage would be very intrusive at night, especially in an area which has multiple residences in very close proximity

Yours faithfully,

Ian Fyfe-Green
