

Size guidelines

- Lockers are modular. Individual dimensions depend on what slot size the Locker is:
42/65/88/111/134 slots as per the infographic
- All Lockers are ~6ft 8"/207cm tall and 2ft/60cm in depth. The width is variable – starting at 6ft/180cm and then increasing by 3ft/90cm with the addition of further modules
