Dear Sirs,

Re: Planning Application AW/216/15/HH
25 St. Richards Drive, Aldwick

My grounds for objecting to the proposed extension at the above property are as follows:-

The extension would be over-bearing and dominating as regards both adjacent properties, particularly No. 23 as this is a chalet bungalow.

Natural light would be significantly reduced for No. 23, mainly morning sunlight.

The completed 3-story extension and the roof configuration would not be in keeping with the local area, especially in a small cul-de-sac.

Yours faithfully,

Dear Sirs,

Re: Planning Application AW/216/15/HH
25 St. Richard's Drive, Aldwick

I viewed the revised plans for the above extension at the Parish Council Offices, Aldwick and attended the Planning Committee Meeting on Monday, 17th August 2015.

I strongly object to the proposals inasmuch that this extension is of such a size that it will dominate my property and cause significant loss of light from the east, particularly morning sunlight.

In addition, the completed building will not be in line or keeping with the other properties in the immediate vicinity.

Yours faithfully,
