Dear Wardle,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application for Works to Trees(s) subject to a Tree Preservation Order(TPO)

Development: Blue Atlas Cedar (T1) - Fell because of inappropriate species, size, location and setting.
Arun District Councils (ADC) tree Officer, Mark Warwick, has recently met with myself on site to visit and assess the tree.
The tree has been planted since the 1958 designation, and therefore does not ordinarily qualify for this classification as it is.
However, in the ADC TPO review of 2009, it was given protection.
The tree has been planted in an inappropriate setting for it to reach maturity and is too close to the property and services.
The thin soil over which it sits is causing surface rooting and disturbance to the adjacent driveway.
