5. Description of Proposed Works, Impacts and Risks

Please describe the proposed development, including (from 1 August 2020) details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

The shop (a1) was a dwelling flat some time ago, I am now looking to change the first floor shop back into a one bedroom flat. All of the rooms and walls are still as they were when it was a originally a flat.

Each room has adequate natural light (one window) , with the main living room have one large window.

I am now looking to completely restore all of the rooms and windows to make a one bedroom flat.

Are any associated building works or other operations required to make this change?

☐ Yes ☐ No

Note that such works are restricted to those reasonably necessary to convert the building for use as a dwellinghouse (including partial demolition).

5. Description of Proposed Works, Impacts and Risks

What will be the net increase in dwellinghouses?
This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses on the site immediately prior to the development.
