Tree survey:

The Eucalyptus tree is at a height of 12 Metres and a spread of 8 M.

The tree has naturally grown in the direction of 9 Tithe Barn Close being windswept from the coast.

Work to be done **in the property of 9 Tithe Barn Close PO21 4EY**, on overhanging branches of the Eucalyptus Tree, **rooted in 83 The Fairway PO21 4EX**.

Some of overhanging branches have reached the ground level and others have encroached the garage roof.

Proposal;

Work will be conducted on the side of 9 Tithe Barn Close only (one side of the tree only).

To lift the crown to 2.5 M above the ground level.

A crown reduction to 75%. After pruning, the tree will retain 10m in height and 7m in spread
