Dear Mr Zac Stout

**Development:**

Location on Arun Maps 491725 , 98631

The Cottonwood is roughly 40ft.

There is a Cottonwood running alongside a flint wall next to the clients property. It is overhanging the road. The tree is showing decay with whole branches being dead with others showing signs of disease. With the location being overhanging a road, and growing next to a flint wall. The Client has opted for removal. The Estate this tree resides within has a blanket TPO on any tree over 30ft (the client has informed me of this). The tree is roughly 40 ft. This is why i have applied for permission. This tree is very recognisable as it lies overhanging the T Junction of Chawkmere Coppice leading onto Fish Lane.

**Location:**

60 Aldwick Avenue Aldwick
