Proposed work: Fell 1No. Cottonwood

I visited The Glade, 60 Aldwick Avenue, Aldwick yesterday and met with the applicant. I was able to undertake a close inspection of the tree, subject of this application.

I have undertaken a desktop review of the Tree Preservation Orders which affect this plot. My understanding is that this tree (more commonly known as poplar) is not listed on any of the schedules or shown on any map.

It seems that only Bognor No2 (Area Order) *could* apply. Based on my knowledge of this tree types growth rate and considering stem diameter at 1.3m height; I have determined that this tree does not pre-date 1958 and so the Order does not apply, therefore our consent to carry out the proposed work is not required.

My recommendation is that the applicant be advised to proceed without further recourse to this Authority.
