Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: AW/228/21/RES
Site Address: Rear of 34,36,38,40 & 44 Carlton Avenue Aldwick Bognor Regis PO21 3LR
Description of works: Approval of reserved matters following outline consent AW/130/18/OUT (layout, scale, landscape & appearance) for the erection of 8 No dwellings with access between 34 & 36 Carlton Avenue.

Thank you for your internet representation made on 27th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38843

I have grown up in Carlton Ave & enjoyed the spacious area which is safe secluded & peaceful. I have watched as the number of cars has increased over the years that use the Avenue. How parking has become an issue & how dangerous the Avenue is at times with the amount of traffic already on the roads. The proposed number of houses is in my mind is too many & it will have a direct impact on 32A Over looking & effecting the view etc. The entrance to the site is a huge concern, being so close to Raleigh Road & roads that already struggle with heavy traffic which often comes to a standstill. The wildlife is superb bars, foxes, birds, butterflies, slow worms etc & I have fond memories seeing all the different species going up. It is devastating to see planes for air many House in an already over populated area. I'm total again the planing proposal. I have more to add but only 3800 characters allowed
