Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: AW/228/21/RES
Site Address: Rear of 34,36,38,40 & 44 Carlton Avenue Aldwick Bognor Regis PO21 3LR
Description of works: Approval of reserved matters following outline consent AW/130/18/OUT (layout, scale, landscape & appearance) for the erection of 8 No dwellings with access between 34 & 36 Carlton Avenue.

Thank you for your internet representation made on 27th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38855

I opening object to the number of houses proposed to be built on the site. The entrance will add to the difficulty of traffic especially with the school in Raleigh Road. Carlton Avenue is busy enough without adding more traffic.

The entrance surely is not wide enough for two cars to safely pass each other. Parking is already a issue in Carlton Avenue.

The wildlife is wonderful & I have never lived in such a peaceful area and have learned so much. The bats roost in the trees with the woodpackers etc. Theres already a issue with teenagers partying in Avisford park & having 8 houses built nearby will change the peaceful environment. One of the proposed houses will have a direct effect our view overlooking the front of the house & right on the doorstep. Opening up the area which has been secure for years & years. There has been very little thought to current residents of Carlton Ave. Please log my object
