Dear Adrian,

The application is going to Committee because the Parish have objected. It does not matter what they have objected on but just whether or not their opinion conflicts with ours.

There are no other consultee responses so I will chase those outstanding. I'll diarise to review the scheme in full later this week and then let you know if I have any queries/requests however, I have already had a brief look and did not have any initial concerns.

Kind Regards

Dear Simon,

I trust this finds you well having had a good holiday.

I was following up on the above application. I note from the planning database that this application has been referred to Committee.

Please could you tell me on what grounds it has been referred to committee? I note the Parish Council objected but they have objected on 'Access' grounds for which the application has already been assessed and approved. I am therefore a little confused why it is going to committee.

Could you forward statutory consultee comments as I can only see Highways comments on the database?

It would be helpful to have a proper catch-up next week on this application when you are back from holiday.

Best regards

Adrian
