ASSESSMENT OF PROPOSAL**DEVELOPMENT PLAN AND/OR LEGISLATIVE BACKGROUND**

Section 38(6) of the Planning and Compulsory Purchase Act 2004 states:-

"If regard is to be had to the development plan for the purpose of any determination to be made under the planning Acts the determination must be made in accordance with the plan unless material considerations indicate otherwise."

The proposal is considered to comply with relevant Development Plan policies in that would have no materially adverse effect on either the visual amenities of the locality or residential amenities of adjoining properties.

OTHER MATERIAL CONSIDERATIONS

It is considered that there are no other material considerations to warrant a decision otherwise than in accordance with the Development Plan and/or legislative background.

CONCLUSIONS

Sufficient distance is retained between the extension and boundaries and there is an absence of windows in the roofslopes (this can be controlled by condition), so as to avoid adverse impact. The extension is visually integrated to existing. It is therefore recommended that the planning application should be approved, subject to the conditions set out overleaf.
