Hi Donna

The red edge needs to be drawn around the site boundary (like on the Location Plan).

Please click on the link below for the CIL form which must also be completed.

Hi Neil

I already paid the fee..

I don't understand what's wrong with the block plans , I bought the maps from reputable company & thought they were ok, I resubmitted again to Nicola putting house number on the plan & drawing in red , I do not know why they weren't correct..

kind regards

Good Morning

I have attached a copy of the incomplete letter sent to your agent today which details all the information required to validate your application. If you do not want correspondence sent to your agent, please ask them to confirm this by email.

The Location and Block plan are available to purchase on line. I have attached a copy of our validation requirements, which details the visibility splays. Please also confirm the date notice was served on WSCC (part 11 of the application form). Further information about dropped kerbs is available on the West Sussex County Council website. Alternatively your agent should be able to assist.

Kind Regards
