

Planning Application AW/232/19/out

19 & 21 Nyewood Lane Aldwick. PO21 2QB

ARUN DISTRICT COUNCIL

16 SEP 2019

RECEIVED

I am objecting to the above Planning Application on the following grounds.

1. The two properties are on the original Marine Park Estate. With the exception of the seafront. These properties are all traditional family homes of two to three floors.. Once you allow a developement of this size it will create a precedent and none of the estate will be safe from over development in the future.

2 A development of this size will lead to the loss of privacy to the neighbouring properties

3 Most peoperties have an average of two cars now. How can the site of this size accomodate approximately 40 plus cars

I trust that the planning committee wil take these objections into consideration , and reject the application
