Dear Nicola Moore,

I am writing to you in regards to my recent application for permission to do work on one Willow back tree at 2 Shiptfield in my front garden.

I enclose a photocopy of a letter sent to me providing written technical evidence from Southern Water for work they carried out on a sewer drain servicing six properties in Shiptfield that runs under my front garden.

You have asked for further information, which is provided below.

- The Crown reduction is on a Willow of approximately 12 metres high and with a 10½ metres spread.
- The tree condition is healthy.
- I am not a member of Arun Council staff, related to a member of staff, or an elected member or related to an elected member.

If you require further information please let me know.

Yours Sincerely

**Southern
