Subject: The Ship Inn AW/237/19/PL

Dear Sir

I wish to object to this planning proposal in the strongest possible terms.

the road is not suitable for the volume of lorries proposed and a shop is not needed on that site. Morrison could not make it pay and the locals boycotted it. and will again, the road is not safe for shoppers on that side of the road.

PLEASE do not allow this application

regards

Steve Sandell
