Subject: The Ship Inn, Aldwick

Dear Sir,

We are writing to you to **OBJECT to Tesco's 'One Stop Stores' - AW/237/19/PL** Application to Arun District Council to alter the delivery frequency and delivery times to the proposed New Store.

We do not need another 'convenience store' in Aldwick. The two previous stores 'Morrison's' and 'My Local' have both failed. It is in a bad position for the proposed deliveries and the size of the lorries.

It appears to us that Tesco's don't care about their Carbon Footprint with how many lorries will be trundling up and down that road.

Within approximately 1 mile of the Ship Inn there is already a Tesco Express and three Coop Stores, two of which are in Rose Green. Up the Shripney Road we have Tesco's, Sainsbury's and Marks and Spencers - and there is also a Tesco Express at Berstead, isn't that enough.

Aldwick is an area that needs another pub/restaurant, not more stores.

Regards

Ian place and Lesley Swan
