Dear Mr Davis,

As a resident of Aldwick Street - with my driveway exiting on to Aldwick Street I am very very concerned at the prospect of a considerable increase in traffic and congestion which will be caused by the frequency of deliveries at the proposed convenience store . Parking and through traffic is already a real problem in this area. Getting out of my driveway is hazardous. There is no need for another convenience store in this area - we already have one .

Yours sincerely

Julie Windett
