Re AW/237/19/PL Former Ship Inn

As a resident in High Trees for over 40 years we were disappointed to see the disappearance of the Ship Inn but even more dismayed to learn that a large corporation is planning to extend its operations by turning it into one of its convenience stores which will necessitate several large delivery vehicles totalling some 35 deliveries per week. This will cause considerable disruption to the flow of traffic in a relatively narrow road and a likelihood of accidents. After the failure of two attempts at trying to establish the property as a retail outlets I am surprised to believe a third attempt is being considered as it is unlikely that it will be supported.

I would like you to note my objection to this application.
