Subject: Planning Application AW/237/19/PL - The Ship Inn, Aldwick

I reside near the above premises & wish to express strongly my objection to the above application. The area is already congested, the road being narrow, with no pavement on the Ship side of the street. There are three shops opposite all of whom require parking on the opposite side of the road. The local convenience store would have their business affected & could effectively close down if the above plans were implemented. There would be further traffic disruption, and danger to pedestrians. The delivery schedules, the size of the vehicles, & restricted parking, will be a nuisance to local people.

Further, in this area we are well served for shops. In addition to the convenience store opposite the Ship there is a Co-op, Butchers & Fishmongers' Shop, Pharmacy, & independent Greengrocer, all within a 6 minute walk away. Have a heart for these businesses and their customers. Both Morrisons & the subsequent supermarket that opened in the Ship did NOT survive.

With many thanks in anticipation of a favourable and humane decision on this matter.
