Dear Mr Davis , we are very concerned to see that an application has been submitted regarding an increase in deliveries for a convenience store to be opened at the Ship Inn ,Aldwick Street. This road is narrow and not suitable for increased traffic and large delivery vehicles. With a lack of pedestrian walkway on one side of the road and many of the residential properties opening directly onto the road an increased danger to public safety would be likely to occur. We are well served with local shopping facilities in both RoseGreen and Aldwick Road plus a small newsagent store .We would therefore strongly object to this application.

Yours sincerely

Josephine and Anthony Benn
