I wish to lodge an objection to the planning application submitted to vary the delivery times at the former Ship Inn in Aldwick. The increase in the proposed deliveries will be create health and safety problems in a narrow street as well as causing great disturbance to local residents with the early deliveries. There have already been two failed convenience stores operating from this site and this proposed store will also fail as it is not needed in the area and will not be supported by the local community.

Yours faithfully

John Pressdee
