17th September 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Variation of conditions imposed on planning reference AW/211/14/PL relating to condition 8 - delivery times & Condition 10 - delivery of goods serving the store in accordance to the Delivery Management Schedule

The Former Ship Inn Aldwick Street Aldwick

Thank you for your internet representation made on 16th September 2019 which has been recorded as '**an objection**' with the comments as follows:

I object to this ridiculous application for an increase in deliveries. I object to the increase in traffic and increase in heavy vehicles in a narrow street. Lorries would have to reverse into a very small car park regularly with cars parked on the opposite side of the road and with existing local businesses trying to make a living and provide for their local community. The delivery schedule would stop the flow of traffic with a long time scale of 6am to 9pm. This is a route to homes, a church, local existing shops and schools and would impact negatively on local residents and our community. As a resident I do not want to see this happening.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
