Dear Mr Davis,

I refer to the current planning application by One Stop Stores to vary times and frequency of deliveries to the Ship Inn site.

The area does NOT need a further convenience store as these are numerous within a short distance in Rose Green.

There is insufficient space on the narrow road outside the Ship Inn site to cope with frequent large delivery lorries which a convenience store would require. Road traffic past the site would be severely hindered and would cause delays and dangers to the general public.

I therefore strongly OBJECT to the application.

Yours sincerely,

John Owen.
