Dear Mr Davis,

I refer to the current planning application by One Stop Stores to vary times and frequency of deliveries to the Ship Inn site.

It should be obvious that there is insufficient space on the narrow road outside the Ship Inn site to tolerate frequent delivery lorries, which a convenience store would require.

The area does NOT need a further convenience stores as these are already numerous within a short distance in Rose Green.

I must therefore OBJECT to the application.

Yours sincerely,

Glenis Owen (Mrs)
