Subject: Former Ship Inn AW/237/19/PL

Dear Mr Davis,

I am in disbelief and dismayed in knowing that an application has, or is being made for a One Stop Convenience Store where our Ship Inn once stood.

This application is more of an **Inconvenience Store**.

The disruption to the public that too and fro using the shopping facilities that **are already there**, and the normal everyday traffic will be enormous.

Heavy vehicles trying to turn around in a tiny village street practically every day, along with the noise and pollution for something that is not needed and not wanted is inconceivable. School Children, shoppers, Dog walkers and the public in general, and those who frequent the Pound and Aldwick Village Green, need to cross Aldwick Street to go about their daily business.

Tesco's and My Local have already tried and failed in the same exercise, and in the process has turned Our Ship that were trying to save for the benefit of everyone, into an empty shell, and in the process it has lain derelict for approximately two years.

Hopefully with The Friends of The Ship we will get it up and running to be a useful asset to many.

I hope that you will look into this application, together with the objections, and consider very carefully and understand the disruption that this Store would bring to Aldwick Street.

Your sincerely

Mrs Joy Freeborn.
