Dear Mr David,

If you do not know, who does? Is it Alison Meeus at WSCC?

Dear Mr Beam,

We have requested that the applicant commission this. The policy for RSA's is that they are commissioned by the applicant and undertaken by an independent assessor and then they are reviewed by the applicants transport consultants ("the Designers Response") and then both parts are submitted to us.

Dear Mr Davis,

Could you tell me which company or individual has been instructed to carry out the Road Safety Audit regarding the One Stop Stores application to vary deliveries to the Ship Inn site, Aldwick? And do you know when this application will come before the Development Control committee again?
