Re; TPO - 32 Fernhurst Gardens, Aldwick.

Dear Sirs

We enclose Application Form, Site & Location Plans for the above site, together with photo of TPO tree B.

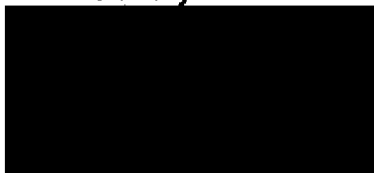

We seek to remove a Eucalyptus Tree (A) that was planted when the house was built, and replace with a semi mature Silver Birch.

Also to remove one dead branch and to cut back/tidy up the existing dead branch stumps to the Macrocarpa (B), see photo.

Should you have any questions regarding this please contact me on

Yours faithfully

Mr Nicholas J Haddon
