Sir/Madam

Please find attached our application for removal of 4 No trees at the above property. I attach a plan highlighting the trees in question. We have consulted with Ian Stevenson regarding the tree species who visited the property on 5 September 2020.

I also attach 2 photographs for absolute clarity. First photograph shows 3 of the trees from Left to Right: 1. Cherry Plum, 2. Dead, 3. Unknown but suggested more a large shrub.

The second photo is of the Cypress Lawson.

Be grateful if you can acknowledge receipt and if would like a hard copy please let me know.

Kind regards
