Janice,
Larchfield - OK I will try calling one more time – otherwise you may just have to approve this without an inspection?
BR/25/14/T – no need for me to visit now really so I will strike this from the list of inspections to do.

Dear Bernie,

There is no contact number for the applicant Mr Skinner on the notification for 11 Larchfield Close.

BR/25/14/T – Fell group of Monterey Cypress trees on rear boundary adjacent to Nyewood CE Junior School.

Just to let you know that I visited the site this morning and the trees (5 in total) had fallen down in the recent gales on Friday evening across the playground of the Junior School. The applicant had no option but to get a tree surgeon to remove them and they were in the process of doing this. If you would like to contact the applicant Mrs Smith her number is 01243-828773. Apparently Richard Martin from the Parks Department had recently visited Mrs Smith and advised her to submit an application for the felling.

Regards
