Thank you for your notification received on 27th January 2020, I am writing to acknowledge that it was accepted as a valid on 28th January 2020. On receipt of this letter if you have any concerns about the way that the Council has described your proposed work you should contact the Case Officer: Finlay Gardner who will be dealing with your application, to discuss the matter. You can follow how your application is progressing on the Council's website:

www.arun.gov.uk/planning

The General Permitted Development Order, Part 1 of Schedule 2 (Class A) specifies that development should not begin before the occurrence of one of the following:-

- the receipt by the developer from the local planning authority of a written notice of their determination that prior approval is not required to carry out the development in accordance with the details submitted;
- the receipt by the developer from the local planning authority of a written notice giving prior approval; or
- the expiry of 42 days following the date on which the authority received the application, without the local planning authority notifying the developer as to whether prior approval is given or refused.

Unless the local planning authority and developer agree otherwise in writing.

If no objection is raised by the local authority the development must comply with all other sections contained in Class A of the above Order.

I must advise you that if development has begun or begins before any of the above occurs then

it will not be possible to make a determination; a full planning application will be required for the development.

Please be advised that the Council adopted the Arun Community Infrastructure Levy (CIL) Charging schedule on 15 January 2020. The CIL charging schedule will come into effect on 1 April 2020 and any works commenced after this date may be CIL liable. Please familiarise yourself with the CIL charging processes at www.arun.gov.uk/cil.

Please do not hesitate to contact the case officer if you have any queries.

Yours sincerely
