Subject: 17 Nyewood Lane, CIL- Form 1.

Good afternoon Mrs Johnson,

Please see attached the CIL form 1 for the 17 Nyewood lane planning application (AW/240/20/PL).

With regards to producing a Flood Risk Assessment, is this absolutely necessary? It was not needed in previous planning applications and 17 Nyewood lane is more than 100 meters from the sea.

I can also confirm that there will be no operational development at the above site.

Kind regards,
Ben.
