Planning Application AW/240/20/PL
House in Multiple Occupation - 17 Nyewood Lane, Aldwick

This is an amended version of application AW/151/20/PL but with even more rudimentary plans and information. As such our objection remains the same:

1. 17 Nyewood Lane is a small house on a very small plot. The proposal is for eight bedrooms

On its own the proposal is too dense, but in any event in the context of the character of the area it is inappropriate. The area is a mixture of family private residences, retirement/care homes and some commercial properties serving the neighbourhood.

The insertion of an intensive house in multiple occupation will adversely affect that character and create an unhealthy precedent.

2. The proposal allows for three car parking spaces (in addition to refuse bin storage) at the front. This will result in the loss of one on-street parking bay. The consequence will be increased pressure on on-street car parking. Stocker Road is effectively parked up on both sides almost permanently. The roads behind the site (Wessex, Princess and Selsey Avenue) become fully parked by staff from local businesses and overflow parking from the Marine Park flats. Inevitably parking will become more contentious.

3. The plans do not show any fire escape other than the internal staircase (wooden?). Any external fire escape would have to be at the rear of the property and be intrusive for the properties along Wessex Avenue

We consider the application for planning permission is misconceived and request that the application be rejected

Your views as made above will be considered before the application is determined.
