Planning Application AW/241/09/TC.

Fell and remove hedge of a mixture of Leyland Cypress and Macrocarpa, situated at Aldworth House, 91 The Fairway, Aldwick Bay Estate, and Bognor Regis.

Thank you for your recent memo regarding the above application, the site of which I visited recently.

The trees which are the subject of the application, form a boundary hedge to the west side of the property, have grown very tall, and are no longer manageable as a hedge, the reason for which they were planted,

Even the best intended pruning would not bring them back to any form of sensible hedge or screen. They were planted to recently to come under the TPO of 1958.

I have no reason to refuse this application as it will hasten the removal of what can be only considered to be s a Horticultural eyesore.

I hope this will be of help to you.

Mark Everson.
Arboricultural Officer.
