Dear Mr Peter Carmichael

Development:

The works relate to a tree identified on TPO/AW/255/10 as a Corsican pine. Inspection carried out by tree surgeon and also Marc Warwick of Arun District council identify the tree species as Monterey pine. Request permission to crown reduce the height by 3m to a height of 6m as previously cut in 2015 and lateral spread carefully by 1.5m all round to live growth. The tree at its existing height and width is blocking light and causing excessive shading to ours and neighbouring properties.

At the same time I request permission to fell a eucalyptus tree which is not covered by a TPO and has been confirmed by Marc Warwick as not meeting the criteria for a TPO. This tree also blocks light, causes excessive shading and is close to a neighbouring house.

Location:

4 Larchfield Close Aldwick
