RECEIVED

Dear Mrs Johnson,

I am working on behalf of Mrs Greenslade, from the above address. And trying to help her sort out her proposal for tree work at the front of said property.

Enclosed is a redrawn plan of trees needing attention; mainly Leylandii's not macrocarpas as she originally thought; including percentages!

Case No is AW-245-11-T.

Please be kind enough to correspond with her on this matter, we are trying to get this sorted.

Many Thanks

H. REDFORD-WILSON.
