Dear Ivon,

Apologies – the attached response was received on Friday but I was too busy with preparation for a hearing appeal this week to forward on until now.

Kind Regards

Hi Mark

I refer to the above planning application at 34 Wakefield Way AW/246/19/PL, where we have a recommendation for refusal from yourself.

I asked Lizard Landscapes to respond to your reason for refusal and attach their response for your consideration, I copy of this report was sent to ADC on the 9th December, 2019.

Could you please also refer to my e-mail lodged on the application site on the 9th December, 2019, covering the above submission.

Subject to a resolution of your concerns I am informed that this application would proceed with a recommendation for approval.

I would very much like to resolve this in a positive way, however if your recommendation refusal still stands, I would like to request a meeting on site with all parties to look at the tree in question.

Many thanks

Kind regards

Ivon
