PRIOR NOTIFICATION OF WORKS TO TREE(S) IN A CONSERVATION AREA

Town & Country Planning (Scotland) Act 1997 (as amended) s211 Notice

The Council has received application 21/00127/TPO for

Crown thin 1 No. Eucalyptus by 20%, remove deadwood & shorten lateral limbs by 2m within the Craigwell House, Aldwick Conservation area

at 27 The Drive Aldwick

The application and plans can be viewed online at www.planningpages.co.uk/chichester. Any representations should be made in writing to the Chief Executive, Civic Centre, East Pallant House, Chichester, PO19 1TY or by email to plancomments@chichester.gov.uk quoting the application number and site address. Representations must be received by 27 Sep 2021 and can be made by any person. Please note that all representations will be put on the Council's website and may be publicly available to view. Please see our privacy notice on the website for more information on how we use your data and your rights.

Any information you send to us, including your name and address, will be published on the website and may be made available for inspection by members of the public. Please do not include personal information in your representation if you do not want it to be published. Do not include information that you are not happy for the public to view. Do not include information relating to other people unless you have their permission to do so. Do not include information relating to matters that are not relevant to the application. Please note that we will not accept anonymous representations.

Any representations received after the expiry date may not be considered.

In making a decision on this application the Council has to assess the amenity value of the trees, the likely impact of the proposed works on the local amenity and has a duty to pay special attention to the desirability of preserving or enhancing the character and appearance of the conservation area.
