Prune back to previous pruning points 5 No Oak trees & 1 No Beech tree within the Aldwick Bay Conseravtion Area.
Rear of 216, 217, 218 Manor Way, Aldwick, ,

I refer to your recent notification of your intention to carry out the above mentioned works and write to inform you that, after consideration of your proposal, it has been decided not to make a Tree Preservation Order in this case. You may therefore proceed with the works outlined in your notification.

INFORMATIVE: The Councils Arboricultural Officer recommends that a crown reduction of only 2.5m is carried out.

INFORMATIVE: The applicant should note that under Part 1 of the Wildlife and Countryside Act 1981, with only a few exceptions, it is an offence for any person to intentionally take, damage or destroy the nest of any wild birds while the nest is in use or being built. Birds nest between March and September and therefore removal of dense bushes, ivy or trees or parts of trees etc. during this period could lead to an offence under the act.

I trust this is of assistance to you.

Yours sincerely

Karl Roberts
