Dear Amber,

Following our recent phone conversation today I confirm I wish to widen the driveway gate from 2.5m to maximum of 3.5m as stated within the application.

Many thanks
Stephen

Dear Amber,

Thank you for your email.

1. My wife, Sara Weekers and I agree to the extension of the application and are happy for the site meeting to be arranged by the necessary parties as soon as possible.

2. The width of the driveway is to be extended from 2m to 2.5m

Best wishes
Stephen Wood
