Thank you for your internet representation made on 26th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31701

It is too high and too big; it is out of keeping with the area; yet more trees and greenery will have to be removed therefore harming the environment; this is already a busy area with too many cars driving fast down the road, endangering local elderly and other needs people when they try to cross the road.

Your views as made above will be considered before the application is determined.
